FOR IMMEDIATE RELEASE

IRVINE SENSORS TO WEBCAST COMPANY PRESENTATION AT ANNUAL STOCKHOLDERS MEETING

Presentation is scheduled for Tuesday, March 1, 2005 at 2:15 PM (Pacific Standard Time)

COSTA MESA, CALIFORNIA – February 23, 2005 -- Irvine Sensors Corporation (Nasdaq: IRSN, Boston Stock Exchange: ISC) announced today that it will webcast the management presentation of the Company's status and plans given at Irvine Sensors Annual Stockholders' Meeting.

The Irvine Sensors webcast presentation will follow the business portion of the meeting and will start at approximately 2:15 PM, (Pacific Time) on Tuesday, March 1, 2005. To receive the webcast, please visit the home page of the Company's website at www.irvine-sensors.com and follow the instructions. A replay of the webcast will be available within 24 hours of the presentation and will be available through the same link on the Company's website through March 9, 2005.

Irvine Sensors Corporation, headquartered in Costa Mesa, California, is primarily engaged in the design, manufacture and sale of stacked chip assemblies, infrared cameras and application-specific electronics. The Company also conducts funded research and development related to high density electronics, miniaturized sensors, optical interconnection technology, high speed routers, image processing and low-power analog and mixed-signal integrated circuits for diverse systems applications.
